# BANNERS AND DECALS

FROM NORTH PRINTING & OFFICE SUPPLY

# Full Color Banners from North Printing & Office Supply

Our full color, standard size banners are 2' x 3' and are printed on a heavy duty 13oz scrim vinyl banner material with grommets at each corner to facilitate displaying.

Banners are designed to incorporate your favorite team colors and logo or school mascot as well as a full color individual or team photo. Each banner can also include elements that represent participation in each sport or activity.

The photo should be a high resolution image (about 300 dpi) for clarity when enlarged. Preferred format would be .jpg or .tif, but we can work with .pdf, .bmp, or .eps formats. Many times the photographer can email a senior or team picture directly to us. We can scan from a print and mail the print back to you if that is the only image available. We must have a release when using any print or electronic file from a commercial photographer.

**ALL BANNERS ARE DURABLE  
AND LAST LONGER  
OUTDOORS!!**

The above designs represent some of the designs that can be added to the banners. Vinyl window decals in assorted colors can also be made from these designs.
